Dear Madam / Sir,

It is with great pleasure that I recommend the candidacy of Mr. Antoine Préfontaine, for your organisation.

I have known Mr. Préfontaine for a while now. In fact, ever since he was accepted into the MBA program in international business at Laval University in 2000, he has worked under my direction, in academic classes as well as in his Master's thesis.

Mr. Préfontaine is an exceptional individual, looking at it from all perspectives. He is extremely intelligent, efficient and trust-worthy. Throughout his studies at Laval University, he has unmistakably distinguished himself from other students with an excellent academic performance. He is attentive. He has a great intellectual curiosity and an open spirit. Mr. Préfontaine is a very dynamic and creative person who likes to express his thoughts and ideas. He has also demonstrated his leader qualities in a very convincing manner, through his curricular and extra-curricular activities. In fact, it is difficult to find someone like Mr. Préfontaine where the ability to learn and the motivation are so great. Moreover, it is rare to find someone who has the strong-will, determination and ability to problem-solve that he does.

As regards the profile that Mr Préfontaine represents, I sincerely believe that his diverse knowledge, her solid education in business administration and international commerce, his rich working experiences and his good mastery of foreign languages have prepared him remarkably for achieving his professional challenge in your organisation.

In being available to provide you with more detailed information, Madam / Sir, I ask that you please strongly consider this recommendation.

I remain yours truly,

Dr. Zhan Su
